BIBBY'S OF INGLETON

Spring 2018 NEWSLETTER

BIBBY'S MAILING LIST

In order to adhere to new Data Protection Regulations which come in to force in May 2018 we have to review our current Mailing List. In addition, we are very aware of current environmental concerns in relation to paper wastage and this too has encouraged us to undertake this exercise.

We will be automatically removing customers from our mailing list WHO HAVE NOT TRAVELLED WITH US IN THE PAST THREE YEARS. This relates to overnight tours and day excursions. Should this apply to you, yet you wish to remain on our mailing list then please contact us as soon as possible. Similarly, if you wish your details to be removed from our mailing list then please inform us.

If you have booked a holiday or excursion under your name and address in the past three years you do not need to do anything as you will continue to receive brochures and flyers from us.

DAY EXCURSIONS

Sometimes it's nice to get away from it all and visit somewhere new and different, even if it's just for the day, which is why coach day trips are the perfect opportunity to escape for a few hours and be home in time for bed!

Please find enclosed the new Spring/Summer Excursion Leaflet.

We want you to enjoy the experience of travel and we therefore advise the importance of taking out insurance. By purchasing travel insurance you are essentially covering yourself against risks such as cancellation, and not being able to travel due to unexpected medical reasons. It also covers medical expenses and repatriation if travelling abroad.

Before booking a holiday we urge you to read the Holiday Information/Trading Charter which is detailed in our holiday brochures. Please read the 'Cancellation by the Client' section which informs the client of the cancellation charges they will incur if they cancel a holiday.

You can travel with confidence on a Bibbys of Ingleton Holiday. We are members of the Bonded Coach Holiday Group of the Confederation of Passenger Transport UK Ltd. This ensures that your money is protected by a Bond which may be called upon in the unlikely event of the Member's insolvency.
